

**GRIZZLY BASIN**  
OUTFITTERS

british columbia

## Rules of the Cabin

- 1.No smoking in the cabin
- 2.Take out all garbage, from cabin and please don't leave any garbage anywhere in the back country
- 3.Ensure all propane lights and stove/oven are off before going to bed or leaving the cabin
- 4.DO NOT place anything directly on heater. Hang all wet cloths from nails or hangers to dry. Heater does get hot and will burn your gear if you leave it too close
- 5.Turn thermostat for heater to "OFF" position when leaving the cabin to head home
- 6.Any damage intentional or unintentional will be repaired at the cost of the undersigned guest
- 7.NOT discharging of firearms at any cabin sites
- 8.Take everything brought into cabin out. Including uneaten food and beverages
- 9.Do Not change code on lock. If code is changed on lock and lock is unable to be unlocked an additional \$200 charge will be added on to the stay.
- 10.Please alert Travis if there is anything missing or Broken or in need of repair at the end of your stay. This helps ensure everything is ready to go for the next group
